## Cost

\$10.00

Choice & Consequence (CC)  
Progress Report 2010- Annual Report Supplement

**Mission Statement:** Our mission is to educate youth about the consequences of their health behaviors. We show the benefits of choosing wisely using real human organs and empower audiences of all ages to make positive health choices.

The CC registered nurses spoke to over 19,000 students in Washington State during the 2009/10 school year at a cost of about \$3 per participant. Net assets at the end of the fiscal year were \$14,122.00

Over 2,000 letters were received from children sharing how the TRIS experience impacted their lives. The majority of the 19,000 served actually put on gloves and felt the difference between healthy and damaged organs. Many of the students reported wanting

to take what they learned home to family and friends. Thousands of students spoke personally with the registered nurse during the experiential segment of TRIS & BB.

Science Day

Students breathe only through a straw, simulating emphysema
