

## **Privacy Policy Statement**

This is Choice & Consequence®, (CC) Internet Privacy Policy Statement. Together with the Policy on Collection and Use of Personal Information, this privacy statement discloses the privacy practices for <http://www.choiceandconsequence.org>.

### **Information Collection and Use**

CC is the sole owner of the information collected on this site. We will not sell, share, or rent this information to others in ways other than those outlined in this statement. We may collect information from our users at several different points on our Web site. Personal information which identifies a specific individual will not be disclosed to others without the user's permission.

### **Feedback Form**

It is optional for a user to complete a feedback form. If a user chooses to complete one, a user is required to give certain information (such as name and email address). This information is used to contact the user about the services on our site for which they have expressed interest only if the user has requested a response.

### **Sharing**

CC may share aggregate information with our partners and grantors. This aggregate information does not contain personally identifiable information and therefore cannot identify any specific individual.

### **Links**

This Web site contains links to other sites. Please be aware that CC is not responsible for the privacy practices of such sites. We encourage our users to be aware when they leave our site and to read the privacy statements of every Web site that collects personally identifiable information. This privacy statement applies solely to information collected by the CC organization.

### **Surveys**

The CC web site may request information from users via surveys. Participation in these surveys is completely voluntary and the user therefore has a choice whether or not to disclose this information. Information requested may include demographic information (such as school attended, ethnic background and age. No other identifying information will be collected. Survey information will be used for purposes of improving our services and evaluating TRIS effectiveness.

### **Security**

This Web site takes every precaution to protect our users' information. All of our users' information is restricted in our offices. Only employees who need the information to perform a specific job (e.g., our Finance department) are granted access to personally identifiable information. The servers used to store personally identifiable information are kept in a secure environment. If you have any questions about the security at our Web site, you can call our office at (360) 422-5704.

### **Notification of Changes**

If we decide to change our privacy policy, we will post changes on our home page so our users are always aware of the information we collect, the ways we use it, and any circumstances under which we disclose it.
